Representatives of the State Statistical Committee participated in the training organized by the United Nations Office on Drugs and Crimes

Representatives of the State Statistical Committee Azar Ahmadov – Head of sector of the Department of Data Dissemination and Elgun Khalilzade – Deputy Head of the Department on Application of Web-Technologies of the Main Computing Center participated in the training on computer program "ArcGIS" organized by Agency of Central Asia of the United Nations Office on Drugs and Crimes on 12-16 March, 2013.

The training was held in Baku in the Regional Centre of World Customs Organization. Representatives of Ministry of Internal Affairs, State Border Service and State Customs Committee participated in the training.

In the training organizers calculated the level of the participants by I, II and III places and instituted prizes according to these places. At the end of the training points were summed and winners were determined. Thus, Head of sector of the Department of Data Dissemination Azar Ahmadov was awarded for the first place and Deputy Head of the Department on Application of Web-Technologies of the Main Computing Center Elgun Khalilzade was awarded for the third place.

The next training on ArcGIS computer program is considered to organize on 1- 6 April of the current year.
